

acp Orange County Chapter Presents

10 Professional Practices

Barry Gorelick, Union Bank's SVP, will provide his unique perspective around the 10 BCP professional practices, which, if applied to your Business Continuity Planning process, will help ensure that the plan you develop is both effective and targeted to the specific needs of your organization.

Barry Gorelick, Sr. VP, Enterprise Business Continuity, Union Bank

Solar Flares & WikiLeaks OH MY! Unconventional Threats in 2011

Bill Wostenberg will lead a group discussion on planning for unconventional threats in 2011. Examples include: Fifty year solar flare cycle reaching its peak with the potential to disrupt satellite communications, replication of data across data centers, and electrical power grids. The impact of social media; what if your organization is part of the Wikileaks doomsday plan in which confidential communications are published on the internet?

Bill Wostenberg, Manager BC Planning, Auto Club of Southern California

ACP Meeting Sponsors:

Founded in 1911, IBM manufactures and sells computer hardware and software, and it offers infrastructure, hosting and consulting services in areas ranging from mainframe computers to nanotechnology. ABtech Systems is a business partner of IBM and a national provider of high availability computing solutions since 1989.

Wednesday, January 12, 2011
Noon to 3:00 PM
