

**acp The Association of Contingency Planners - Orange County Chapter Presents**

# A Special Workshop Managing a Business Continuity Program

The workshop will consist of a 90 minute presentation followed by a Q&A session. Attendees will learn and be able to ask questions about various Business Continuity Management topics, including:

- Governance
- Metrics, Measurement and Reporting Processes
- Exercises and Testing
- Crisis Management/Emergency Management Planning
- Business Impact Analysis (BIA) Processes

Randall Till, MBCP, is Principal and Founder of Till Continuity Group. For more than 20 years, he has been creating and implementing business continuity programs for business organizations and serves on the Executive Council for Disaster Recovery Journal. Randall is an experienced practitioner, a leading industry expert, and a recognized speaker in the business continuity industry.
