NOW FOR EMERGENCY PREPAREDNESS

BRIEF RELIEF™ FIELD LAVATORY SYSTEM

The System That Goes Where Others Can't...

No need for trucks, tools or heavy equipment. Impossible roads, rubble and lack of water are no barrier to Brief Relief.

Anywhere you can walk, the Brief Relief System can go

Just two minutes – that's all the time it takes for this complete, compact lavatory system to be fully ready for personal sanitation needs during any emergency or disaster. So light-weight, it can be carried by anyone and set up anywhere – no need for trucks, tools or other equipment.

- Instantly deployable anywhere
- Ultra light-weight and compact
- Requires minimum storage space
- Unlimited shelf-life
- Spill-proof, leak-proof and odorless
- Trash-container safe waste kits meet state and federal disposal requirements
- No prep or servicing required

Ask us for a quick and easy demonstration
