

# Emergency Housing

Does your company's business plan take into consideration temporary housing for employees who have been displaced? What if you need to relocate your facility to another city? What are your housing options and what can you do now to prepare? Learn what you can do to prepare your company to support employees impacted by a disaster and develop a strategy to address temporary housing options.

Presented by Susan Becker, Sr Account Exec, Oakwood Corporate Housing

## PSTRG AND READYOC OCSD PRIVATE SECTOR TERRORISM RESPONSE GROUP

The Orange County Private Sector Terrorism Response Group (PSTRG) is a public/private sector partnership to address private sector safety, incident management, employee education, and public health consequences of potential attacks on Orange County's critical infrastructure.

ReadyOC is an educational program to inform businesses and residents about the importance of preparing for any kind of natural, health, or man-made disaster. By working together, everyone can make a difference, create awareness, motivate preparedness, and encourage involvement.

Both OCSD programs are looking to establish a relationship with OC businesses to form a wide area network to improve community wide business recovery planning.

Presented by Heather Houston, Sr. Pgm Coordinator, OCSD Terrorism Early Warning Grp & Larry Barrios, VP of Allison & Partner's Orange County Office

### Vendor Highlight

Helping clients leverage current investments, plan for future expenditures, and implement the right storage systems for their environment.
